

AMERICAN SIGN LANGUAGE I WITH MR. DALLY

ABOUT MR. DALLY

Ralph enjoys serving as associate pastor at a local church where he oversees the young adult and connections ministries. He also has a heart for deaf missions and pastored a deaf church fifteen+ years, he also has two deaf cousins. After graduating from high school in 1985, he took his first sign language class and was immediately hooked! Ralph went on to be trained as a professional Sign Language Interpreter and worked in the private and public sector operating his own interpreting business for over fifteen years interpreting in a variety of settings. Also, during this time, Ralph taught community education and middle school ASL courses and deaf awareness workshops. In 2008, God called Ralph to go back to school and become a certified teacher of ASL. He now teaches at the high school level for students seeking foreign language credit; both in private and public schools, on campus and online. He thoroughly enjoys the roles of teacher and pastor!

"I was in your ASL I, II, and Conversational ASL classes. Today at the community college where I'm taking classes I tested out of their Beginning ASL 101 and 102 classes. I just wanted to thank you for preparing me so well. I'll be taking Intermediate ASL 201 in the spring semester!"

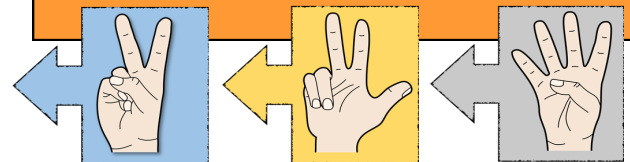

"My daughter has taken two years of ASL with Mr. Dally during high school, she has thoroughly enjoyed the classes! They weren't easy.... Mr. Dally really expects his students to work and study and practice, but it sure pays off in how quickly they learn! She has enjoyed his teaching style and he has always been helpful and quick with answering questions. We recommend Mr. Dally to ANYONE who has a desire to not just dabble in ASL but who really wants to know it well! Can't say enough good about his classes!"

ASL KUDOS

"Mr. Dally's ASL 1 class has been a wonderful experience for my 8th grade daughter. His enthusiasm and excellent teaching have sparked major interest. She enjoyed every class, and all of the projects and assignments were appropriate for the material and challenging enough to inspire her to work hard. As my daughter has recently begun ASL conversation coaching with a local interpreter, we were told that the work she is doing in class is college-level and is preparing her very well for future study. We have nothing but high praise for Mr. Dally and his classes!"

Philippians 4:8

Finally, brethren, whatever is true, whatever is honorable, whatever is right, whatever is pure, whatever is lovely, whatever is of good repute, if there is any excellence and if anything worthy of praise, dwell on these things.
